

Lecture Notes on Economic Growth and Economic Fluctuations

Eric Doviak

3rd edition, July 2011

Thank you for downloading my notes. I hope this book helps you learn economics. For more learning materials, please visit:

[economics @ doviak.net](http://economics@doviak.net)

There, you will find lecture notes, problem sets, datasets, R scripts and wxMaxima notebooks for the main courses in the economics curriculum:

- [intro to micro](#)
- [advanced micro](#)
- [international trade](#)
- [financial markets](#)
- [intro to macro](#)
- [health macro](#)
- [growth macro](#)
- [math methods](#)
- [statistics](#)
- [econometrics](#)
- [R language](#)
- [Perl language](#)

For notes on machine learning and natural language processing, please visit: napizia.com. And please visit my personal website: wdowiak.me, where you can learn more [about me](#).

Thanks again for downloading my notes. I hope you enjoy them.

Sincerely,
- Eryk Wdowiak
